

## Gift Acceptance Policy

The Florence Immigrant & Refugee Rights Project (FIRRP) accepts all gifts and grants in support of the mission and programs provided: 1) the donor or funder does not require FIRRP to take any action or make any statements contrary to FIRRP's mission and values; 2) acceptance of the gift(s) is in line with FIRRP's strategic plan; and 3) acceptance of the gift does not create undue stress or expense on the organization. Gift acceptance is determined by the Executive Director and Board of Directors in consultation with FIRRP's Gift Acceptance Policies.
